Qualified Opinion

We have audited the accompanying statement of quarterly and the year to date standalone financial results of Starlog Enterprises Limited ('the Company') for the quarter ended March 31, 2021, and for the year ended March 31, 2021 ('the statement'), attached here with, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. Is presented in accordance with the requirements of the Listing Regulations in this regards; and
- ii. Except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph below, gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2021, and for the year ended March 31, 2021.

Basis of Qualified Opinion

1. In relation to Going Concern assumption we refer to Note 3 of the Statement where it is mentioned that the Company's current liabilities are in excess of its current assets by ₹. 17,513.64 lakhs which is largely on account of current maturities of its long term debts. Further, as mentioned in Note 4 of the Statement, the Company has contingent liabilities regarding EPCG Obligations of ₹. 1,294.67 lakhs, demands from sales tax / MVAT department of ₹. 27,716.23 lakhs and invocation of the Shortfall Undertaking by a lender of a subsidiary of ₹. 6,627.20 lakhs. There has also been a substantial reduction in the net worth of the Company due to current year losses. We also refer to Note 11 of the Statement wherein the Company has explained the impact of COVID 19 and ensuing nationwide lockdown on its operations. The outbreak of the pandemic has led to some of the cranes of the Company being de-hired. These situations indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, however the Company has prepared its statements as a going concern. The impact of the same on the statement of the Company is unascertainable.

2. We refer to Note 11 of the Statement wherein the Company has mentioned that its cranes are de-hired and lying idle due to outbreak of COVID 19. Non operation is causing deterioration in life of the assets. Further, the Company expects the demand for its services to remain low. However, the Company has not conducted an impairment study under Ind AS 36. As mentioned in Note 10, the Company has continued to carry its PPE at book value. The impact of the same on the standalone financial statements of the Company is unascertainable.
3. The Company has total outstanding of ₹. 16,639.58 lakhs repayable to lenders. However, we have not received balance confirmations from majority lenders as on March 31, 2021, and have been unable to confirm the balances through any alternate means. The impact on the results of the Company is unascertainable.
4. As mentioned in the note no 8 of the Statement, in respect of Trade Receivables, trade payables and Loans & Advances (Assets) and Advances Liabilities are subject to confirmation/ reconciliation from respective parties. Hence, any material impact on the financial statement due to the same cannot be ascertained.
5. The Company has not carried out actuarial valuation of liability for accumulated leave balances and gratuity of employees as on March 31, 2021 in accordance with Ind AS 19 "Employee Benefit" and continued with the same provision for leave balance and gratuity as appearing on April 1, 2020. The impact of same cannot be ascertainable.
6. The company has not complied with the provisions of section 138 of the Companies Act, 2013 with respect to appointment of Internal Auditors during the year ended March 31, 2021. Pending regularization of the aforementioned default, we are unable to comment on the extent of adjustment, if any, that may be required in these financial statement on account of such default.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013, as amended ('the Act'). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Emphasis of Matter

1. The Company has shown investments of ₹. 1,201.20 lakhs in an associate which is equivalent to 26% of equity capital of the associate. As against this, the financial statements of the associate show the shareholding of the Company as 10% of its equity capital only. The differential 16% have been claimed by the associate as being transferred in its financial statements from the name of the Company to certain entities who are having credit balances with the Company towards advance given for purchase of shares of the associate. However, the Company has continued to show investment at original cost and original number of shares in its standalone financial

statements on the ground that it has not been provided with necessary documents by the associate to justify the change in shareholding and settlement with the transferee entities.

2. As mentioned in Note 4, a lender of a subsidiary has invoked a Shortfall Undertaking of ₹. 6627.20 Lakhs. The matter was adjudicated by DRT, Mumbai, passing a recovery order against the Company. The Company has filed a review petition against the said order and the matter is sub-judice.
3. As mentioned in Note 5, due to ongoing pandemic and recent surge in COVID-19 cases, company has carried out detail analysis of Trade receivable and other financial assets and provide the impairment provision of Rs.1645.26 lakhs which was disclosed under exceptional item.
4. As mentioned in Note 7 JM Financial Asset Reconstruction Company Limited (JMFARC) vide its letter no. JMFARC/VG/FY21/0722 dated November 13, 2020 has sanctioned One Time Settlement (OTS) of outstanding loan amount. As per the approval letter, the Company is required to make payment of ₹. 3,800 lacs in various installments, out of which ₹. 1,000 lacs were due and payable by 31st March 2021 and balance of ₹. 2,800 lacs are due and payable from 1st April 2021 to 31st Dec 2021. The Company has complied with terms by making payment of ₹. 1,000 lacs by 31st March 2021. However, Pending balance payment under OTS and release of no due certificate from JMFARC and related documents, no accounting entries are passed to give effect to OTS.
5. We draw attention to the fact that the Confirmation of Bank Balances of 3 bank Accounts could not be obtained by the Company. The Management stated that these are old and non-operative accounts hence balance confirmation could not be obtained, the opening balance of such are taken as closing balance. In absence of any statement and balance confirmation, any material effect due to such non-confirmation is currently not ascertainable.

Our opinion is not modified in respect of the above matters.

Our conclusions given in a qualification no. 1 are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represents the underlying transactions and events in a manner that achieves fair presentation.
